Two Most Effective Aspects of GETS

- Preview of IA
- Small group discussion & two ways communication
- 1. TRF 2. Developing district leaders
- 1. Discipline imposed to the participants 2. Materials provided as well as speakers & resource persons
- TRF contribution & participation
- 1. Sharing of ideas & projects 2. Nice facilities
- 1. Education on leadership & ideas & current issues 2. Fellowship & fund access
- 1. Discussion 2. Sharing
- 1. Knowing your batch mates (zonal) well in advance. 2. First hand knowledge of ground faces of different districts.
- DGE Preparation

Two Suggestions for Improvement

- More time for CDS re. allocated fund for DG
- 1. I would recommend to have more time allotted in every topic 2. More conversational & participative
- None
- More time for discussion
- Presenter's communication & language skills
- 1. More sharing 2. We know the info. No need to deliver it to us again, esp. in lecture form!
- Location of GETS, as Taiwan is not accepted as a sovereign country by many countries and they do not have visa offices
