Using the Club Goal Form

Annual Programs Fund Goal

The Club Goal Form is an important fundraising tool to establish real and achievable goals for each club and, in turn, each district. Submitting meaningful club goals in a timely manner is crucial to overall district planning and fundraising efforts.

In accordance with the Every Rotarian, Every Year initiative (EREY), The Rotary Foundation recommends a contribution of at least US\$100 per member worldwide. For many North American clubs to more accurately capture their fundraising potential, consider the following factors when determining an appropriate goal amount:

- Examine your club goal and achievement status by looking at your club's prior year history as a starting point in setting your goal for this year. (Your DRFC can work with TRF staff in obtaining a giving history report, if needed.)
- Establish a new goal that is realistic, but also builds on your previous year total.
- Look at a multi-year giving report for signs of how to stretch your goal.
- Look at your member PHF levels to determine new fund raising potential.
- Consider what impact your Paul Harris Society Members can have on your goal.

Permanent Fund and Major Gift Goals

Use the resources available at the district level (Permanent Fund Chair, District Rotary Foundation Chair), the Zone Level (Major Gift Advisors, Regional Rotary Foundation Chairs) and at the Rotary Foundation (Major Gifts Officers, Planned Giving Officers and Annual Giving Officers) to help you succeed.
